### My background

I have a Masters in woven textile design, specialising in fashion fabrics. My technical skills in handwoven and jacquard fabrics are excellent. I have good knowledge in Adobe software, PLM and Excel. I also have knowledge of APSO, Pointcarre, Clic Design, Weave Point and AVACAD textile software. In the Farnsworth Munsell 100 Hue Test I have been rated expert colour discriminator.

I am passionate about fashion, art and design. I have great ability to work within a team and manage my own creative projects and time. I am interested in how the fashion business operates, and keeping up with industry trends and forecasts. In addition, I have an understanding of the end-to-end process involved each season in terms of business and design.

### Employment History

### Previous Work Placements

#### Stephen Walters and Sons Ltd.

Sudbury Silk Mills  
Sudbury, Suffolk CO10 2XB  
T: 01787 372266  
August 2007

My placement at Stephen Walters and Sons was spent working with the design team. During my time there I designed stripes for ties, aimed at the company's American clients as my main project. I also coloured and reworked designs sent to the company's Chinese Mill for their pret a porter collection, reworked designs for the company's tie range, assisted in creating swatch collections by colourway for a client, as well as general tasks to understand the running of the mill. The company's clients include Hermes, Gucci, Ralph Lauren, Giles, and Alexander McQueen.

#### WallaceSewell

24 Lloyd Baker St,  
London  
T: 0207 8332995  
August 2005

WallaceSewell specialize in woven scarves, throws and cushions that are designed in house and sold wholesale and in the studio's shop front. The work placement consisted of working on the final stages of production, such as steaming, cutting, label sewing, fraying and packaging, ready to send off to WallaceSewell's wholesale clients.
